

Power hob

MS-I-20P

Induction appliance with 2 round Power coils and patented SlideControl technology

Power brought straight to the point

The Power induction hob is designed for cooking with two pans. It's an ideal choice wherever high power levels are required: by producing heat quickly for a short period, it's perfect for flash frying and cooking large quantities.

- Ideal for pots and pans up to 32 cm
- Range 300 mm
- Central pot detection and temperature monitoring

Technical data:

Dimensions:	Glass dimensions: 360 x 660 mm
Output:	2 x 6.0 kW
Connector:	3x400 VAC
Control:	2 controls
Monitoring:	Central temperature monitoring
Anschluß:	3x400 VAC
Hobs:	2x Power round coils Range 300 mm
Adjustment:	Freely adjustable power control
