### Expenses:

- The 2-days basic training (incl. manuals) including lunches with non-alcoholic drinks is free of charge for participants.
- Hotel rooms can be reserved by Menu System St. Gallen. The incurred costs are to be paid by the trainees. The information regarding the hotel will be sent to participants by email no later than one week before the start of the basic training course.

### Participants need to bring:

Each participant has to bring a multimeter with the functions stress measurement (to at least 400V), a voltage metering (to at least 10A/400V), a resistance measurement and diode test function, as well as note pad and, if possible, a laptop.

### **Mobile phones and other means of communications:**

Mobile phones and other means of communications have to be switched off during the basic training (muting/silent mode is not enough). During the 20-minute break each morning / afternoon you will have the opportunity to make phone calls.

Note: Menu System has a Wi-Fi; request your password

### **Application:**

Applications for basic training courses must be submitted in writing and at least 3 weeks before the corresponding training course with an application form attached for each participant.

Each application shall be confirmed promptly in writing (by email) and be considered as definitive from that point. For subsequent cancellations we will charge a cancellation fee of CHF 250.00 / EUR 250.00 (excl. VAT) per participant.
